

TITANFALL PC Controls

HELPFUL GAMEPLAY HINTS:

Basic Jump: Move forward and press Space

Long Jump: To jump further, first sprint with SHIFT, then press SPACE while sprinting

Mantle: Jump with SPACE, and hold W to mantle

Wallrun: Spring, then jump at an angle toward a wall to start wallrunning. Hold W to run along the wall.

Wallrun Extend: Wallruns can be chained together by jumping from one wall to another to travel further.

Jump Off: Press Space to jump off the wall

Double Jump: Press SPACE to jump once, then once airborne, press SPACE again.
